Saguaro Hotel 1800 East Palm Canyon Drive, Palm Springs, CA 92264

Dear Neighbor,

We are excited for the return of our Splash House event this summer at the Saguaro Hotel. This event will begin at 12:00pm and end at 8:30pm on Saturday and Sunday June 11<sup>th</sup> & 12<sup>th</sup> as well as August 13<sup>th</sup>, 14<sup>th</sup>, 20<sup>th</sup> & 21<sup>st</sup>.

Minimizing potential disturbances is a priority for us and we remain committed to working together with residents and the city to produce successful events. As in previous years, we will be making periodic visits to various hotel perimeter points as well as within the community to monitor the sound levels during our events. We welcome feedback and input from residents in the form of texts, emails, or calls directly if there are possible disturbances at any time. It is helpful to us when we can identify the nature, location, and time of each potential disturbance in the best manner possible.

On behalf of The Splash House team, thank you for all your support and understanding. Please feel free to contact me should you have any questions.

Sincerely,

Darren Carroll
