Enjoy the summer, stay cool, and hope to see each of you at one or more of our planned events or at a future Board meeting.

Let's all make a New Year's Resolution to be better prepared! Dr. Lucy Jones, SoCal's earthquake expert, says the most important prep for a disaster is to meet your neighbors. In a major disaster, emergency resources are quickly depleted. Individuals and neighborhoods must be self-reliant for days. Hear from experts with the city's Office of Emergency Management and the Fire Department. Walk away with easy prep steps to take and the community connections we need to be resilient!

***Community Wide Yard Sale – Saturday, March 23,
2024, 8:00 am - Noon, various locations***

Stay tuned for more information and be sure to opt in on our website to get the latest information about this and everything that is happening in the neighborhood.
