CITY OF PALM SPRINGS EMERGENCY NOTIFICATION SYSTEM

The City of Palm Springs is participating in a Citywide Emergency Notification System that will provide timely and lifesaving information to registered residents, no matter their location, at no charge using **Everbridge**.

WHAT IS EVERBRIDGE?

Everbridge is a powerful mass notification system that will be used to send emergency information and instructions to anyone who lives or works in the City of Palm Springs. **Everbridge** will send messages to phone numbers included in the emergency 911 and 411 directory listings. In addition, by registering, you may provide additional contact information to receive messages on other devices.

Your information lifeline in an emergency:

Your ability to receive fast, accurate information can help you survive in an emergency.

Everbridge can send text or voice messages to home phones, cell phones, personal digital assistants (PDA's), laptops, desktop computers, and TTY/TDD devices for the hearing impaired. **Everbridge** can reach you wherever you are almost immediately to provide information and instructions for a variety of emergency situations, including:

- Fires and subsequent evacuations
- Shelter, transportation, or supply information following a major disaster
- Other public safety incidents that immediately affect your neighborhood

Registering takes only a few minutes through a simple online process. Anyone who lives or works in Palm Springs is encouraged to register their cell phone number and e-mail address.
